Financial Agreement and Guidelines for Membership Use

- All membership payments are due by the 10th of each month.
- If payments are not received by the 10th of each month, then a reminder will be sent. If payments are not made in a timely manner each month and members continue to use the facility, their code will be deactivated until the account is paid in full.
- If you choose to discontinue use of the gym or need to temporarily hold your membership, please contact Liz (563-260-2334 call or text) by the 10th of the month so you are not charged.
- Any member under the age of 16 needs to be accompanied by a parent or legal guardian.
- The door code given to you/your family is for your use only. If you give your code to a non-member to use, the first offense will be a warning but if it continues then a \$20 fee will be added to your next month's membership fee. If code sharing continues after fees are added, then the membership will be cancelled, and code will be deactivated at the discretion of the owners. This is for liability purposes.
- Heinsite Fitness is monitored with cameras 24/7 for the safety and security of all members.
- Please be respectful of the other members working out at the same time as you. Our goal is for all members to feel comfortable and welcome. Rules will be posted throughout the gym and expected to be followed.
